

Methodological remarks, concepts, definitions

The scope of health services is included in the Act LXXXIII of 1997 on the benefits of the compulsory health insurance and the Government Order 217/1997 (XII.1.) regulating the implementation of this act.

This chapter presents the data of those concluded financing contract.

Financing contract: is concluded between the financing institute (NHIFA, Regional Offices of the National Health Insurance Fund) and the service provider for health service.

To define the indicators regarding financed services (per services, station), we count their average number per month.

Chapter 7.1. to 7.8. are containing data of service providers which concluded financing contract with NHIFA relating to the performance of the period from 1 January to 31 December.

Services and on-duty services of general practitioners

Source of data: monthly change report, report of itemized patient turnover, and report of occasionally care of the general practitioner's service, which are forwarded to the National Health Insurance Funds Administration.

General practitioners' service dispose over regional care: provide care to entitled those who registered at this service with determined and marked zone by local government. In emergency case give the care to entitled people who chosen other general practitioner, if they can't visit the doctor they have chosen.

Mixed type of general practitioners' service: providing care for adults as well as children.

Central on-duty services of general practitioners: defined on time or continuous primary emergency treatment of affected general practitioners territory population, cooperating with at defined territory provider Ambulance and Emergency Services.

Financial support as entrepreneurial for basic care: Government Decree No. 229/2001. (XII. 5.) on the financial support of general practitioners, family paediatricians and dentists providing basic cares, which made it possible for the providers to claim financial assistance at buying equipment and real estates for the use of providing services, was repealed on 1 January 2006. – Decree No. 329/2005. (XII. 29.) – however the rules of the Government Decree above should be still applied for valid and updated contract made before 2006. New equipment support being launched in 2011 (Government Decree No. 216/2001. (X. 19.) on the financial support of general practitioners, family paediatricians and dentists providing basic cares).
